While we do supply standard tables and chairs at no charge, specialty rentals and decor can be added as needed or included in a specialty package. Let us take care of those details for you. Page 08.

BOOZE + BEVERAGES

We are currently in the process of applying for our liquor license. At this time, all events booked are BYOB. If we are successful in acquiring a liquor license before your event date, you alcohol would be purchased through The Armory and paid for at cost.

FOOD + CATERING

the Armory does NOT offer in house catering services. There are no restrictions for what caterer your choose.

EVENT GUIDELINES

PAYMENTS

A payment equal to 50% of your booking total is required to secure your private event. The remaining balance is due no later than two weeks prior to your scheduled event. We accept cash, certified or cashier's checks, personal checks, debit cards, and credit cards. Visa, Mastercard, Discover, and American Express are all accepted. A 3.5% processing fee applies to all card transactions.

INSURANCE

For the safety of all guests and the protection of the venue, event insurance is required for all private events at The Armory, with a minimum \$1 million policy for the event date. Liquor liability coverage is required for any event with alcohol. Coverage can often be added as an umbrella policy to your home insurance or purchased separately. The Armory must be listed as a co-insured, and proof of insurance is due two weeks prior to your event.

SALES TAX

All prices are subject to a 7.25% sales tax.

DECORATIONS

Candles are permitted only if placed in a glass container or holder; open flames are not allowed. Clients who bring their own candles must also supply the proper votive holders. To protect the venue, adhesives and fasteners such as tape, wires, nails, staples, command strips, and wall tacks may not be used. Confetti and glitter are strictly prohibited. For outdoor use, only real flower petals are allowed to ensure eco-friendliness. If you're unsure about any decorations, please request approval in advance.

CATERING POLICY

You are responsible for hiring your own caterer and adhering to Ohio State food laws.

Guest Lounge

Our industrial-modern guest lounge offers a stylish and comfortable space for your guests to relax. Featuring newly refinished maple floors, vaulted ceilings with black beams, striking arched windows, and partially exposed brick, the lounge combines chic design with warm ambiance.

Leather sofas and armchairs provide ample seating, while a designated area allows guests to hang coats and belongings.

A gift table is also provided for cards and gifts, adding convenience to the space.

Main Hall

INDUSTRIAL DRILL FLOOR

Once used as a drill practice floor for the Army National Guard, this industrial-meets-modern reception space has been thoughtfully transformed into a stunning venue. With warm maple wood floors and exposed brick walls, the space exudes a unique character that combines rustic charm with contemporary elegance. Accommodating up to 300 seated guests, it features a spacious bar and ample outlets to support caterers, DJs, and lighting needs effortlessly. The former Commander's Suite, now a stylish groomsman's suite, overlooks the drill floor, providing a striking bird's-eye view for unforgettable photos and the perfect focal point for your photographer.

Restrooms

The Armory offers beautifully finished men's and women's restrooms designed for both comfort and convenience.

The women's restroom features three spacious stalls, including a handicap-accessible stall, a large arched window, and a double vanity.

The men's restroom includes two custom wood stalls—one handicap accessible—along with a urinal, a double vanity, and a semi-exposed brick wall that adds a rustic, industrial touch. Together, both spaces reflect the historic character of the venue while providing modern functionality for your guests.

Bar

The Armory's one-of-a-kind bar is a true statement piece, blending industrial charm with historic character. A custom concrete bar with a reclaimed corrugated metal front sets the tone, while the liquor cabinet built into the drill floor's original radiator—which once heated the space in the early 1900s—adds an unforgettable conversation-starting detail. The customizable chalkboard door allows you to add a personal touch for your event. Behind the bar, you'll find a refrigerated beer cooler, sink, and microwave, with portable insulated coolers also available.

Bartenders can be added to any package for an additional fee.

A Little History

Established around 1925, the St. Marys Armory served as a pivotal facility for the Ohio Army National Guard for nearly a century. Beginning with Company I, 11th Infantry Regiment (Nieberg Guards) in 1877, the armory hosted various units over the years. Notably, Company K, 2nd Infantry Regiment was deployed to France during World War I as part of the 37th Infantry Division.

In World War II, elements stationed at the armory, including Company K and HQ Company of the 148th Infantry Regiment, fought in the Pacific theater, with soldiers participating in campaigns across the Northern Solomon Islands, Luzon, and the Philippines. The Armory's military role concluded in 2020 when the National Guard relocated to Lima, citing the building's age and maintenance challenges.

To commemorate the armory's military significance, a National Guard Memorial was established in Memorial Park, St. Marys. The monument replicates the Armory's façade and honors the various units that served there over 143 years. It includes bronze plaques listing deployed units and the names of soldiers from St. Marys who were killed in action during World Wars I and II, ensuring their sacrifices are remembered.

The building remained vacant for nearly five years until a local family purchased The Armory in July of 2024 and began transforming the facility into what it is today. As part of its revitalization, The St. Marys Community Armory, a nonprofit organization, now operates out of the building, offering programs and services to local veterans and youth. Events booked at the venue directly support this mission, helping fund meaningful initiatives that give back to the community.
